A WORD FROM THE MIDDLE SMITHFIELD TOWNSHIP ECONOMIC DEVELOPMENT COMMITTEE

2025 proved to be the year of enduring projects and stabilizing growth for Middle Smithfield.

From the onset, the Township hit the ground running, working towards the renewal of its Local Economic Revitalization Tax Assistance (LERTA) program through 2035 by all three taxing authorities: Monroe County, the Township, and the East Stroudsburg Area School District (ESASD). Finalized this summer, LERTA continues to be a powerful tool for attracting development in Middle Smithfield. Through LERTA, major projects like AutoZone, Dollar General, The Apartments at Mt. Nebo Phase I, and Tractor Supply added over \$9 million in property value to the Township, and will generate an estimated \$366,000 in annual tax revenue once fully realized. Further, the Township's LERTA program helped to secure a buyer for the Township's golf course in 2024, returning more than 400 previously tax-exempt acres to the tax rolls. Here's to another 10 years!

The Township also celebrated anniversaries and welcomed great new community partners.

The Poconos Club, formerly the Country Club of the Poconos, celebrated its 1-year anniversary this summer, with more great things on the horizon. Beginning in mid-November, The Poconos Club Team will launch its next phase of indoor renovations, including a brand-new, state-of-the-art event space and year-round golf powered by Trackman simulators. Stay tuned!

And I Cue Cigar Lounge turned five this fall. Opening at the height of the Covid – 19 pandemic, I Cue braved the worst to emerge as one of the region's most popular destinations in the Poconos. Another great example of a strong Middle Smithfield Township business!

Meanwhile, The Brandli Family, owners of The Big A Restaurant, said goodbye this fall after 20 years of serving the community. Although the Township is sad to see them go, it is excited to see what's next with the Farmhouse management team taking the helm. Stay tuned for Spring of 2026!

Middle Smithfield Township continues to welcome new businesses, including Yummy Kebab, Sattar Luxury Lines, JuJu's Vault, Busy Bee Pre-School and Daycare, 209 Blazing Grill, Savory Eats, and more! Coming Soon, The Budding Tree Early Development Center at the Crossings at Marshalls Creek Complex and the Farmhouse on the Lake, formerly the Big A, will be opening in Middle Smithfield Township, both exciting additions to the growing business community.

The ever-popular Shop Local Program expanded this summer with its 2nd annual Christmas in July Campaign, with more businesses, public participation, and exposure than ever before. And we're just getting started.

The Revitalize 209 Grant continues to deliver great projects, such as the recently completed fence project by Lakeside Investment Corp., the siding project at Gary's Mobil Gas and Car Wash, and Jinyin Temple's fresh paint work nearly complete. With more on the way, we look forward to seeing more awesome transformations along the Route 209 Corridor. See page 23 for more information.

Looking forward to 2026, the Township is excited to see more development projects come in, such as the Apartments at Mt. Nebo Phase II, the Atrium Apartments, and the completion of ongoing projects, such as Shrimad Rajchandra Spiritual Center USA (SRSC USA), the former Pocono Palace, and Big Ridge Self Storage, both projected for completion in 2026.

With a robust lineup of businesses featured in the 2026 Business Directory, we invite everyone to discover the incredible businesses and services offered right here in Middle Smithfield Township. Why shop anywhere else?

We're thrilled to bring back the popular Holiday Shop Local Program, now featuring over 62 participating businesses, a record number of amazing deals, and great giveaways throughout the holiday season! Look for your Shop Local Discount Card in the Township's Holiday newsletter; activate your code, and start unlocking fantastic offers! The EDC will even be at the Township's Tree Lighting event this year, where you can pick up your card and get help activating in person. We'll see you there!

Stay informed about the Township's projects by attending our public meetings every third Monday of the month. We look forward to seeing you there!

Sincerely,

The Economic Development Committee
